

Automotive: Minor Trade

Your trade career starts here!

ABOUT THIS COURSE

This program is designed to give you insight into the automotive industry.

The Automotive study program offers pathways to a career as a motor mechanic, commercial vehicle mechanic or agricultural mechanic. Your program contributes 2 units towards your HSC and you may achieve a Statement of Attainment towards AUR20720 Certificate II in Automotive Vocational Preparation.

The work placement component of your program includes 5 days experience with local employers, which the College organises for you.

ENTRY REQUIREMENTS

- You must be eligible to enter the Preliminary HSC course (Year 11).
- You will undertake short entry tests to determine suitability for course entry.

Course Details

Course Hours	120 hours and work placement
Duration	1 year
Type of Course	Face-to-face
Unit Value	2 units in the Preliminary HSC
Delivery Location	Hunter Trade College, Telarah
Work Placement	5 days over 1 year

WHY CHOOSE HUNTER TRADE COLLEGE?

At Hunter Trade College, you can:

- achieve your Higher School Certificate and kick start your trade career at the same time
- spend nearly one third of your College study days in work placement (2 days per week in Year 11, 3 days per week in Year 12)
- get diverse hands-on experience with several local work placement employers
- gain a white card (general construction induction card) and first aid certificate as part of your program
- learn in industry standard workshops with trade qualified and experienced teachers
- get customised help from our learning support and wellbeing teams
- gain employability skills to give you an edge over other job seekers
