

# Construction: Minor Trade

Your trade career starts here!

## ABOUT THIS COURSE

This program is designed to give you insight into the construction/carpentry industry.

The Construction study program offers pathways to the primary trades in the construction industry (with the exception of plumbing). Your program contributes 2 units towards your HSC and you may achieve a Statement of Attainment towards CPC20220 Certificate II in Construction Pathways. The work placement component of your program includes 5 days experience with local employers, which the College organises for you.

## ENTRY REQUIREMENTS

- You must be eligible to enter the Preliminary HSC course (Year 11).
- You will undertake short entry tests to determine suitability for course entry.

## Course Details

<b>Course Hours</b>	120 hours and work placement
<b>Duration</b>	1 year
<b>Type of Course</b>	Face-to-face
<b>Unit Value</b>	2 units Preliminary
<b>Delivery Location</b>	Hunter Trade College Telarah
<b>Work Placement</b>	5 days over 1 year

## WHY CHOOSE HUNTER TRADE COLLEGE?

At Hunter Trade College, you can:

- achieve your Higher School Certificate and kick start your trade career at the same time
- spend nearly one third of your College study days in work placement (2 days per week in Year 11, 3 days per week in Year 12)
- get diverse hands-on experience with several local work placement employers
- gain a white card (general construction induction card) and first aid certificate as part of your program
- learn in industry standard workshops with trade qualified and experienced teachers
- get customised help from our learning support and wellbeing teams
- gain employability skills to give you an edge over other job seekers
